BIG NEWS EVERYONE!

KONA RUNNING CO. AND ROAD RUNNER SPORTS TEAM UP TO MAKE YOUR FITNESS JOURNEY OUTTA SIGHT!

Hi All!

Alan here, owner of Kona Running Co. You and I have been running together a long time—since I started organizing races here in Michigan almost 15 years ago! Well, I've got some big news that'll have you cheering!

Road Runner Sports and I have partnered to become THE leading running and walking store for all you amazing Michigan runners and fitness fans.

You love Kona Running for our rock solid service and our local vibe. With my partner Road Runner Sports, you'll still get all that plus:

- World's largest inventory of top-name shoes: Asics, Nike, Brooks, New Balance, Saucony, Mizuno, Adidas, Hoka Reebok + tons more!
- Mega huge selection of fitness apparel, accessories & nutrition
- Groundbreaking shoe-fit process guaranteeing your Best Fit Ever!
- 90-Day Ultimate Test Run Promise on ALL shoes

Road Runner Sports has been around a while. Owner Mike G started his company out of his garage in 1983. He's a great, down-to-earth guy who only cares about giving our customers the best possible store experience. That's why I teamed up with him.

Look for the new Road Runner Sports sign at my Canton location and at my new shop in West Bloomfield!

See you soon!
